<input type="checkbox"/>	Sat 5 april 11:15 - 12:15	1 hour	Speakerroom	Mike	5 Senses in the Feywild - Immersing your players	Getting lost in a book or a movie feels much like getting lost in a game—but what truly drives immersion, and how can we create it? In this talk, I'll explore tools, ideas, and concepts to pull your players into a vivid "mind palace," transforming the roleplaying table into a cinematic experience—all in the theater of the mind!				
<input type="checkbox"/>	Sat 5 april 12:30 - 13:00	30 min	Speakerroom	Marlou	Verry Berry; The magical (and poisonous) properties of berries.	In deze lezing vertel ik je alles over een x-aantal bessen, hun magische, giftige en medicinale eigenschappen. Gaat je party wild plukken? Vanaf nu weet je welke bes je wel of eenmalig in je mond kan stoppen! Of... je bent DM en hebt deze kennis zonder het te delen met je spelers voor een echt spannend avontuur :)				
<input type="checkbox"/>	Sat 5 april 13:15 - 15:15	2 hours	Speakerroom	Alex	The Improvisational DM - Tales, Legends and Mysteries and how to make them	What makes a legend, a legendary, a mystery, a mystery, and what is the difference between a tale and a legend? Come explore this interactive talk where we use your input and experiences and create tales, legends and mysteries together!				
<input type="checkbox"/>	Sat 5 april 15:30 - 16:30	1 hour	Speakerroom	Zoi	Play by Post					
<input type="checkbox"/>	Sat 5 april 16:45 - 18:30	1 hour 45 min	Speakerroom	Epril	All things Faerie: A Feywild Lecture	A realm brimming with arcane energy, vibrant colours, untamed nature, enchanting melodies, and mischievous pranks. A place where Fey creatures roam and dance underneath a sky forever caught in twilight. In this lecture, you'll uncover everything you need to bring the mystical Plane of Faerie to life in your campaigns and backstories!

Workshops										
	Workshops		Workshop room 1							
	Location:		Ground Floor, left corner classroom left(perspectief)							
	Tech available all day		Beamer & Beamerscreen							
Dates	Duration	Room	Instructor	Title	Description	ENG/NL	Tech	Max people	Set Up	
<input type="checkbox"/>	Sat 5 april 11:30 - 12:30	1 hour	Workshoproom 1	Peter	Safety tools and intentional play	Ever wanted to dig deeper, or it happened by accident, and it turned into a negative experience? You're not alone. Join our talk about putting intentionality into action, the safety- and conversation tools that get us there—players and GMs alike—and how to put them into practice at your next game. We will cover sensitive subject matter from personal experience as examples, but will check at the start if anyone is uncomfortable with these.				
<input type="checkbox"/>	Sat 5 april 12:45 - 13:45	1 uur	Workshoproom 1	Yomi	Roleplay for beginners	Have you finally gathered a group of friends and found a date to play dungeons and dragons together, but are you struggling with actually playing your character confidently? Do you have a hard time portraying your character accurately or are you scared to roleplay in front of your friends? We've got you covered! Come and check out our workshop for useful tips and tricks to help you out!				
<input type="checkbox"/>	Sat 5 april 14:00 - 15:00	1 uur	Workshoproom 1	Marlou	You're favorite parTEA	Do you also want to unwind from all the adventures and impressions of RINcon? Join your favorite parTEA for a delightful, calming tea ceremony! Together with me, you'll dive into the magic of herbal tea (which you'll create/select yourself in a special way) and relax during a guided tea meditation (yes, it exists, or at least I decided it should exist), while your tea is steeping. Also handy; the magical properties of the herbs (with explanations) can be used in your daily life AND your DnD campaign. What more could you want?				
<input type="checkbox"/>	Sat 5 april 15:15 - 16:15	1 uur	Workshoproom 1	Robin	Kombucha Brewing	<b>Cost 15,-</b>				
<input type="checkbox"/>	Sat 5 april 16:30 - 17:30	1 uur	Workshoproom 1	Everafter print	How to prepare an amazing story	You have an idea for a story, but you're not sure where to start. Sounds familiar? We're here to help!  In this workshop, we'll give you tools so you feel ready to write. You'll learn how useful story structures are, and how to create an amazing story. Whether you write fiction or TTRPG adventures, everyone is welcome!				
<b>OMBOUWEN; Vrije ruimte om te bewegen!!</b>										
<input type="checkbox"/>	Sat 5 april 17:45 - 19:45	2 uur	Workshoproom 1	Stan	Level up your rollplay	"when ou walk into the hallway, the room is "magically" dark (so, no darkvision guys!). at the end of the hallway you see a tall human shaped figure standig still like a stau. very slow their hand is coming up, pointing at you....."come to me".....they say, whith a cracking voice. you feel the urge to walk towards the shape at the end of the hallway.  what do you do?  You as a player knows this means danger. your character would move towards the creature. how to stick to the moment and stay true to the character you play?  In this round of the improv workshop we focus on the theme suspense, building tension and prosponing the conclusion of a certain encounter. "

<input type="checkbox"/>	Sat 5 april 11:15 - 12:15	1 hour	Workshop room 2	Mark	Nature and Magic: Encounters & Trails	<p>Ever wonder how to create natural and magical encounters? How to use fantastical wildlife to your players' wonder in your TTRPG campaigns?</p> <p>Join us as we take a stroll through the many ways in which you can use the fantastic natural side of fantasy nature in your stories and games. From magical beasts and plants to Fae and Elementals, there are an infinite array of possibilities to spice up your natural encounters.</p> <p>We'll touch on multiple types of encounters, from friendly chance meetings with strange intelligent wildlife to tense combat in which the players must use their knowledge of beast and plant to come out on top.</p> <p>There will be plenty of tips and exchanges of ideas during the talk, with many opportunities to put your own ideas to paper. Let's work together to craft the wildest encounters that your players (or GM if you want to use this to spice up a character's background) will remember for months to come!</p> <p>The talk will include optional forms to help you fill out your encounters, so you only need to take a writing utensil with you.</p> <p>This talk is suitable for both beginners and more experienced people that play TTRPG or write fantasy.</p>				
<input type="checkbox"/>	Sat 5 april 12:30 - 13:30	1 hour	Workshop room 2	Aida	Diversity in TTRPG + Networking	<p>A talk to answer some important questions: Why does a diverse TTRPG community matter? Why do we need representation in our games and at our tables?</p> <p>Afterwards, let's do some networking and make our friend groups and communities more inclusive and diverse. Folx from marginalised communities such as people of colour and ethnic minorities, immigrants, marginalised genders (women, non-binary, gender-fluid, genderless), disabled, LGBT+, neurodivergent are especially encouraged to come!</p>				
<input type="checkbox"/>	Sat 5 april 13:45 - 14:45	1 hour	Workshop room 2		MAP drawing?					
<input type="checkbox"/>	Sat 5 april 15:00 - 16:00	1 hour	Workshop room 2	Zoi & Robin	The Queen's Rest - Tavern to meet new friends					
<input type="checkbox"/>	Sat 5 april 16:15 - 17:15	1 hour	Workshop room 2	Mandy	Neurodivergent groeps gesprek ding					
<input type="checkbox"/>	Sat 5 april 17:30 - 18:30	1 hour	Workshop room 2	Josh	Worldbuilding Masterclass	A masterclass on worldbuilding for DM's, GM's, Writers and anyone who wants to learn.				
<input type="checkbox"/>	Sat 5 april 18:45- 19:45	1 hour	Workshop room 2	Matt	Feywild over WiFi: Running an Online RPG Table	The virtual table doesn't have to feel distant! Whether you're an seasoned storyteller adapting to online play or just starting your journey into remote gaming, an experienced GM offers tips to connect with players, keep their attention and handle technical challenges without breaking immersion. Whether you play on a slick 3D-rendered tabletop or a crummy Discord / Zoom call, this presentation wants to ensure collective storytelling triumphs over technical hurdles.
